ABCNYS Ministers Council ANNUAL MEETING

*Here a quirk! There a quirk!
Everywhere a quirk, quirk!*

- or -

*Do you sometimes feel like the
pastor of a Dr. Jekyll and Mrs.
Hyde Church?*

Workshop Leader:
Rev. Nancy Leport

Monday, May 4, 2009
9:00 a.m. — 2:30 p.m.
First Baptist Church
Central Square, New York

Webster defines a quirk as a peculiarity of action or behavior. And let's face it, as Pastors we have all seen our share of quirks. We may even exhibit a few ourselves.

Does this sound familiar?

One day all is well and following a meeting that night it literally feels as if all Hell's broken loose? What happens in that parking lot after the meeting anyway? By the time you are home, the church's version of the Telephone Game is underway. What did you miss? How do you read between the lines? What story is being told and what story was trying to be told in the meeting? Who are the main characters? What is your role? What do you do next? Are there things you wish you knew about your board members' intentions and/or quirks? Are there things you wish they knew about your intentions? Are there things you wish you knew about your intentions as well as your quirks?

Rev. Nancy Leport will lead a workshop exploring these questions. She will coach you through several scenarios that get to the heart of miscommunications within congregations. Join her for a fun, interactive time of discovery and depth as together we find ways to strengthen the body of Christ for the work of its mission.

The Reverend Nancy Leport is a friend and colleague to many in the ABCNYS Ministers Council. She is a graduate of Colgate Rochester Crozer Divinity School and was ordained in 1990. After serving the First Baptist Church in LeRoy for 13 years, she began a retreat/workshop ministry. She received a Post Master's Certificate in the Practice of Spirituality from Boston College in 2004. In 2007, she successfully completed the course work from The Institute for Life Coach Training to be certified as a life coach. In 2008, she became a certified Peopemap™ trainer under the direction of Dr. E. Michael Lillibridge.
