

GOAL: \$ _____

EACH PUZZLE PIECE: \$ _____

First of all, thank you so much for supporting the Region through this offering. It is one of the biggest ways the Region funds many of the state-wide programs, seminars and conferences. But the big question with this poster is...

What do I do with this poster?

Print. If you need more posters, you can download & print more from www.abc-nys.org/programs/region-offering

Set a Goal that your church family will raise for the Region. Write that amount on the top line: "Goal"

What was last year's goal? Have your church try a "stretch goal" and surpass last year's amount!

Divide your goal by 35 and put that amount on the "Each Puzzle Piece" line.

Promote & take the offering throughout a 4-week period.

Color each puzzle piece as you reach each increment. Celebrate when you reach your goal!
