

MODERATOR TRAINING

A FREE workshop for ABCNYS related local church moderators, Association moderators, and all who seek a healthier church!

Saturday, June 1, 2019 9:30 AM to 12 PM

Eastwood Baptist Church

3212 James Street, Syracuse, NY

(on-site parking available; handicap accessible)

During this workshop, we will explore how the moderator uniquely serves as a key person of faith, influence, vision, and reconciliation for our churches and Associations. The leadership principles of this class will come directly from the New Testament and will have an immediate impact on your ministry.

The workshop will be led by **Rev. George Stefani**, Moderator, Capital Area Baptist Association and Pastor of Latham Community Baptist and FBC Saratoga Springs. Stefani brings pastoral and Associational leadership, extensive leadership training and over thirty years in various positions with the Federal Government.

REGISTER VIA: Mary Schwarz, office@abc-nys.org or 315/863-7148

This workshop is made possible by your church's gifts to the 2019 ABCNYS Region Offering, United Mission and America for Christ.
