AMERICAN BAPTIST CHURCHES OF NEW YORK STATE NIAGARA FALLS MISSION

JULY 25 - 28, 2019
OCTOBER 10 - 13, 2019

American Baptist Churches of New York State continues its partnership with Community Missions of Niagara Frontier with two opportunities in 2019!

JULY 25 - 28, 2019

OCTOBER 10 - 13, 2019

PARTICIPANTS

Some ministry tasks will require specialized skills. As people with these skills sign up, the weekend will be shaped to utilize their competencies. There will be many tasks that will require no specialized skills. Persons need to be of middle school age or older. Any juvenile participating without a parent/guardian will need documentation giving another adult participant permission to care for and supervise the juvenile. We will limit participation to 25 people.

ACTIVITIES

Activities will depend on the needs of the ministry at that time and the profile of the trip participants. Some examples:

- Work in the kitchen preparing meals and then serving them
- Work in the community food pantry sorting and distributing food
- Do gardening and landscaping at the mission center as our skills permit
- Paint and do maintenance to the center as our skills permit
- Work in the clothes closet sorting and distributing clothing

There will be many opportunities to become acquainted with the clients at the center.

LODGING AND MEALS

The team will be staying at Stella Niagara:
