

The Region works with churches as they assess their communities and strategize how best to reach out to them. The Region provides opportunities for mission experiences where participants can see how ministry is being done other places and then model that ministry in their own neighborhood.

The Region supports our Burmese Diaspora (Karen, Kachin, Zomi, and Chin) churches as they organize and equip themselves for ministry.

The Region provides pastoral care for our pastors who, in turn, lead our churches.

In all these ways, Regional ministry undergirds what God is doing in and through our congregations.

Please place your envelope in your church's offering.  
Checks can be made out to your church with "ABC/NYS Region Offering" in the memo.

## Churches

Local churches are the fundamental unit of mission, say American Baptists. In other words: Local churches are where the rubber meets the road. God marshals the resources and people of our congregations to move out into the world on mission, sowing faith, justice, peace, and hope. The Region comes alongside local churches to equip and encourage them as they pursue mission.

The Region walks with churches as they search for pastoral leadership, both guiding them in the process and providing candidates, and then as they establish practices that will facilitate a successful partnership between pastor and people.

The Region, through trainings and publications, helps congregations navigate the legal, financial, and administrative challenges facing them. The Region provides conferences and trainings to assist churches as they (re)discover their identity and calling under God.
