

The Region sponsors an annual American Baptist Youth Convention that forms and trains those young people who will lead our churches and Region down the road.

In these ways the Region supports our people as they discover their gifts, build competencies, and grow evermore into the image of Jesus Christ.

A strong Region and vigorous churches begin with transformed individuals. The Region is committed to individual transformation of believers so that they might better serve God.

Please place your envelope in your church's offering.
Checks can be made out to your church
with "ABC/NYS Region Offering" in the memo.

Transformed individuals are the foundation of God's work in the world. The mission of the church is to invite people to faith in Jesus Christ and then train them to serve him in the world.

The Region participates in this work by training people to be lay leaders in their churches and others of them to become lay pastors. Both these goals are pursued through the ABCNYS Lay Study Program.

Region staff provides in-church training as well, to the end that members would discover their gifts and use them in God's work in the world.

The Region provides funding for continuing education opportunities, for both lay people and clergy.

The Region provides mission opportunities, both in-state and international mission trips. These experiences foster growth among the participants and help them discover God's calling in their lives.
