

Serving & Thriving Together

ABCNYS Region Offering 2022

⁹ Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. ¹⁰ Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers.

In the Madison Association, Pastor Robert Casler of Durhamville Baptist Church, shares this word about the ABCNYS Region Offering and what our 273 churches make possible when working together to support one another!

Hello friends, It's that time of year!!

That's what I often hear when January comes around and I (Pastor Rob) start asking for the volunteers to serve on the Budget Committee and later other committees of the church.

Using our resources for the Glory of God, however, is an important aspect of the local church in order for the Church to reach its purpose which in short is: Helping people take their next step toward Christ...together! That's where the use of resources becomes so important.

I believe that as American Baptists we are uniquely connected through the NYS Region and in partnership with one another. The Region Offering is one of several ways each individual church can help in that endeavor.

It allows us to join our little (as individual churches) and create much for the glory of God through the continued work of the Region.

It allows us ALL the greater reach to help people take the next step toward Christ... together!

Budgets are tight, and perhaps getting tighter, but putting our resources together allows us to serve a greater community.

Consider making the Region Offering a part of your budget this year. 100% stays right here, helping our ALL to serve to the Glory of God!

After all, We all want to be empowered to help others make that next step towards Christ!

*Blessings Always,
Pastor Rob Casler—Durhamville Baptist Church*
