At the request of the ABCUSA General Secretary's office, Regions will be no longer posting the guidance documents on websites or social media to help our churches be aware of how they can use the recent court order protecting our churches as "Sensitive Locations" for immigration enforcement that meet certain criteria.

HOWEVER, the Region Office will be glad to send your ABCNYS affiliated congregation the most recent guidance. Please contact Rev Jerrod Hugenot (jhugenot@abc-nys.org)!
